1995 ARTICLE INDEX

Articles published in PRODUCTS FINISHING, January through December, 1995, classified by subject . . .

	MONTH	PAGE
ANODIZING		
Anodizing Facility Ready for the Future	April,	50
Power Supplies for Finishing Showcase	July,	74
For Light Metal Die Castings, Consider Hard Anodizing	July,	62
BAKING, CURING		
Optimizing the Curing Process, by Peter J. Witham	July,	56
BLACKENING		
Metal Blackeners and Antiquing Solutions	May,	104
Blackening System Improves Production	November,	90
CHEMICAL COATINGS (ORGANIC)		
Low-VOC Coatings Meet a Wide Range of Needs, by Bill Ballway	May,	48
CLEANING		
Parts Drying Made Easy, by John Durkee, II	February,	60
EPA's Degreasing NESHAPs, by Steve Rizzo	February,	98
Keep Solvents In and Workers Out!, by Tom O'Connor	March,	80
Squeaky Clean Economics, by James A. Mertens	April,	90
A Hassle-Free Switch to Aqueous Cleaning, by Faye Bentley	April,	76
The State of the Cleaning Market, by John Durkee, II	April,	81
Converting to an Aqueous Cleaning System, by Joann A. Quitmeyer	May,	78
Regulations Affecting Aqueous Cleaning Systems, by John Durkee, II	May,	100
The Recycle Option, by John B. Durkee, II	June,	126
Examining the Drying Process, by Charles S. Leech, Jr.	June,	136
Closing the Loop on Cleaners, by Allan B. Fischer	June,	143
Why is Drying So Hard with Aqueous Cleaning Technology?, by John Durkee, II	September,	62
Polypropylene Construction Extends Washer Life	September,	116
CONVENTIONS, EXPOSITIONS, TECHNICAL SOCIETY MEETINGS		
AESF Compliance Week	January,	66
Applying Common Sense	June,	54
Finishing '95 Conference and Show	September,	72

CONVENTIONS, EXPOSITIONS, TECHNICAL SOCIETY MEETINGS		
AESF Compliance Week	January,	66
Applying Common Sense	June,	54
Finishing '95 Conference and Show	September,	72

Electroless Nickel' 95 Conference ..... October, 78
PCI Takes Powder Coating '95 to the Southeast ..... October, 83

DEGREASING
Parts Drying Made Easy, by John Durkee, II ..... February, 60
EPA's Degreasing NESHAPs, by Steve Rizzo ..... February, 98
Keep Solvents In and Workers Out!, by Tom O'Connor ..... March, 80
Converting to an Aqueous Cleaning System, by Joann A. Quitmeyer ..... May, 78
Regulations Affecting Aqueous Cleaning Systems, by John B. Durkee, II ..... May, 100
The Recycle Option, by John B. Durkee, II ..... June, 126
Examining the Drying Process, by Charles S. Leech, Jr. ..... June, 136

ELECTROCOATING
Electrocoat Meets Challenges of Unusual Parts, by Lyle Gilbert ..... August, 48

ELECTROLESS PLATING
Preparing Metals for EN Plating, by Don Baudrand ..... February, 79
Job Plater Keeps EN Plating Quality High ..... December, 60

ELECTRONICS
Connor Takes Plating In-House, by Beverly A. Graves ..... January, 44

HIGH-SOLIDS COATINGS
Low-VOC Coatings Meet a Wide Range of Needs, by Bill Ballway ..... May, 48

MANAGEMENT
Finding Hidden Cost Drains, by Susan C. Bakos ..... January, 62

MASKING
Masking for Finishing Applications ..... August, 74

MASS FINISHING
Faster Mass Finishing, by Jeffrey W. McEneny ..... June, 154
Vibratory and Mass-Finishing Equipment Showcase ..... June, 162
Fundamentals of Mass Finishing, by William W. Welborn ..... December, 46

MISCELLANEOUS
What is Thermal Deburring? ..... January, 78

PAINTING EQUIPMENT, FACILITIES
Reducing Paint Surface Defects, by T.C. Ottney ..... January, 50
How To Purchase a World-Class Finishing System, by David Carl ..... February, 86

1995 Article Index . . .

Plastic Finishing Combines Prime and Finish Coats ..... March, 48
Opinion: Water-Wash or Dry?, by Wayne Vickers ..... March, 84
Automatic Color Change ..... March, 91
World's First Automotive Full-Body Anti-Chip Powder Coating, by Joe Schrantz ..... April, 56
Painting Plastic Automotive Components Electrostatically, by John R. Kost ..... April, 66
Truck of the Year Shines with First-Class Finish, by Beverly A. Graves ..... July, 48
Proper Spray Equipment Maintenance Saves Money, by Jerry P. Hund ..... July, 68
Reducing VOCs at Kodak ..... August, 66
TABC Eliminates Solvent Emissions, by James P. Wikenczy ..... October, 54
Painting Fire Apparatus, by Joe Schrantz ..... November, 46
Air Knives Cut Paint Rejects ..... November, 80
Specification Plating of Fasteners ..... November, 84

PAINT ON PLASTICS

Plastic Finishing Combines Prime and Finish Coats ..... March, 48
Painting Plastic Automotive Components Electrostatically, by John R. Kost ..... April, 66

PAINTING TECHNIQUES

Plastic Finishing Combines Prime and Finish Coats ..... March, 48
Improving Liquid Spray Transfer Efficiency, by Glen L. Muir ..... March, 62
Taking the Mess Out of Paint Booth Cleaning ..... March, 88
Painting Plastic Automotive Components Electrostatically, by John R. Kost ..... April, 66
Truck of the Year Shines with First-Class Finish, by Beverly A. Graves ..... July, 48

PAINT/POWDER COATING PRETREATMENT

Multi-Stage Pretreatment Systems, by David F. Sechnick ..... January, 54
Non-Metal Conversion Coating ..... October, 87
Hand-Held Chromate Conversion Applicator ..... November, 92

PAINT/POWDER STRIPPING

Stripping Paint with Plastic Media, by Richard Dotson and Ralph Ballard ..... June, 112
Fluidized-Bed Paint Stripping at Ford ..... June, 121

PLATING EQUIPMENT, INSTALLATIONS

Connor Takes Plating In-House, by Beverly A. Graves ..... January, 44
How To Safely Select Electric Immersion Heaters, by Dennis J. Rezabek, ... May, 65
Power Supplies for Finishing Showcase ..... July, 74
Plating Aluminum Wheels, by Beverly A. Graves ..... July, 42
When the POTW Moves In, by Beverly A. Graves ..... August, 42
In-Barrel Sprays Speed Plating and Improve Rinsing ..... August, 70
Showcase: Solution Filtration ..... September, 108

Plater Tries New Bright Nickel Plating System, by Beverly A. Graves ..... September, 52
Switch to Alkaline Non-Cyanide Zinc Pays Off ..... September, 68
PCB Manufacturer Blends High Quality with Quick Response ..... October, 66
Roy Metal Finishing: A Different Drive, by Emilie Pazdan ..... November, 66
The Case for Anode Baskets, by Gregory Panagiotakis and Donald Meth ..... November, 74
Specification Plating of Fasteners ..... November, 84

PLATING PROCESSES AND TECHNIQUES

Connor Takes Plating In-House, by Beverly A. Graves ..... January, 44
Functional and Decorative Nickel-Free Finish ..... January, 74
Nickel Plating Process Helps Furniture Maker Shine, by Daniel Bushman ..... February, 48
Making Direct Contact, by Vern Mehler ..... March, 74
Meeting the Customer's Needs with Zinc-Alloy Plating, by Beverly A. Graves ..... May, 56
Plating Aluminum Wheels, by Beverly A. Graves ..... July, 42
Roy Metal Finishing: A Different Drive, by Emilie Pazdan ..... November, 66
Specification Plating of Fasteners ..... November, 84

POLISHING

An Electropolishing Primer ..... March, 68

POLLUTION CONTROL, AIR

Low-VOC Coatings Meet a Wide Range of Needs, by Bill Ballway ..... May, 48
Controlling VOCs in Paint Finishing, by Jeff Brooks ..... May, 72
EPA's New Chromium Emissions Regulations, by Lalit Banker ..... May, 88
TABC Eliminates Solvent Emissions, by James P. Wikenczy ..... October, 54

POLLUTION CONTROL, WATER

Treating Spent Electroless Nickel Baths, by Rodney C. Squire ..... March, 54
When the POTW Moves In, by Beverly A. Graves ..... August, 42
Troubleshooting pH/ORP Controllers, by Thomas H. Martin ..... August, 56
The Finishing Industry and State Agencies Cooperate,
by Blair Vandivier and Kathy Prosser ..... August, 63
Pollution Control at Monroe Plating ..... November, 60

POWDER COATING

Epoxy, Polyester, Acrylic — What's in a Name, by Champ Bowden ..... February, 54
World's First Automotive Full-Body Anti-Chip Powder Coating,
by Joe Schrantz ..... April, 56
Powder Finish Helps Golf Cars Survive the Links ..... September, 46
Steelcase Adds Powder Coating, by Beverly A. Graves ..... September, 57
Resting Easy with Powder Coating ..... December, 53
Masterack Goes Powder ..... December, 68

1995 Article Index . . .

QUALITY CONTROL/PROCESS CONTROL

Reducing Paint Surface Defects, by T.C. Ottney ..... January, 50
Measuring Plating Thickness Using XRF, by Francis Reilly ..... February, 70
Jewelry Plating Under Control at Avon ..... February, 94
Anodizing Facility Ready for the Future ..... April, 50
Thickness Testing Equipment for Plating, Painting and Powder Coating ..... October, 72
PCB Manufacturer Blends High Quality with Quick Response ..... October, 66
Air Knives Cut Paint Rejects ..... November, 80
Specification Plating of Fasteners ..... November, 84
Job Plater Keeps EN Plating Quality High ..... December, 60

RECOVERY/RECYCLING/POLLUTION PREVENTION

Treating Spent Electroless Nickel Baths, by Rodney C. Squire ..... March, 54
Reducing Rinse Water Use, by Scott Roof ..... May, 96
When the POTW Moves In, by Beverly A. Graves ..... August, 42
The Finishing Industry and State Agencies Cooperate, by Blair Vandivier and Kathy Prosser ..... August, 63
In-Barrel Sprays Speed Plating and Improve Rinsing ..... August, 70
Specification Plating of Fasteners ..... November, 84
Coming into Compliance Using Vacuum Distillation, by Beverly A. Graves .... December, 76

THICKNESS MEASUREMENT

Measuring Plating Thickness Using XRF, by Francis Reilly ..... February, 70
Jewelry Plating Under Control at Avon ..... February, 94

VACUUM COATING

Decorative Finishing Using PVD, by Brent Lee ..... October, 46
Ion-Vapor-Deposition Coatings for Improved Corrosion Protection, by Graham Legge ..... October, 59

VIBRATORY FINISHING

Faster Mass Finishing, by Jeffrey W. McEneny ..... June, 154
Vibratory and Mass-Finishing Equipment Showcase ..... June, 162
Fundamentals of Mass Finishing, by William W. Welborn ..... December, 46

WATER-BORNE COATINGS

Low-VOC Coatings Meet a Wide Range of Needs, by Bill Ballway ..... May, 48
Reducing VOCs at Kodak ..... August, 66
